MESSAGE FROM THE LEADER OF THE OPPOSITION

It is my great pleasure to send my best wishes to everyone attending this year's African Music and Cultural Festival (AMCF).

As the largest annual African festival in Australia, the African Music and Cultural Festival showcases an amazing array of vibrant music, dancing, cultural performances and authentic African food that transports visitors to Africa.

This festival allows all of us to reflect on the vital and enormous contribution that our African community makes to our vibrant and diverse multicultural State.

It also contributes greatly to community cohesiveness and to the social and cultural understanding of the African Australian community in Victoria.

Through this festival all Victorians have a wonderful opportunity to learn more about the journey, history, traditions and customs of the many African cultural groups that call Victoria home.

On behalf of the Liberal Nationals, I commend the African Music and Cultural Festival (AMCF) for its vision and leadership with Victoria's African communities and wish everyone a wonderful festival.

THE HON. MICHAEL O'BRIEN MP
