

MESSAGE FROM THE LORD MAYOR OF MELBOURNE

The City of Melbourne is proud to support the 2019 African Music and Cultural Festival, one of our city's annual cultural celebrations that showcases the depth and diversity of African heritage and culture.

The African Music and Cultural Festival brings together more than 35 countries in celebration, promoting cross-cultural awareness, mutual respect, understanding and unity.

The Festival attracts 40,000 people and features entertainment for the whole family.

Don't miss the cultural performances including energetic dance, amazing traditional music and delicious African food.

With so many cultures and so much to see and do, it is no wonder this is one of Australia's best and largest African festivals.

We all feel uplifted when we're out and about and connected to others. I encourage you to head to Federation Square for this fantastic day of arts, culture, creativity and community.

I'm proud of our multicultural city and I wish all involved a happy and successful festival.
