## MESSAGE FROM THE PREMIER

On behalf of our Government, I send my best wishes to everyone involved with the 2018 African Music and Cultural Festival (AMCF).

With the help of dozens of community and cultural organisations, the AMCF has become the largest annual African festival in Australia.

As well as a showcase of music, arts, and food, the AMCF celebrates the cultures and communities that make Victoria stronger, more compassionate, and more tolerant.

You have made this one of our state's biggest and best multicultural festivals.

I congratulate you on your success to date and wish you every success for the years ahead.
