MESSAGE FROM THE PRIME MINISTER

2019 AFRICAN MUSIC AND CULTURAL FESTIVAL

I am delighted to send my best wishes to everyone attending the 2019 African Music and Cultural Festival – a much-loved part of Melbourne’s multicultural calendar and one of the largest African festivals in Australia.

The Festival celebrates the great contributions that our diverse African Australian community make to our nation, and brings people together to experience the best of African music and culture.

This gathering and the spirit of friendship it embodies also speaks to the heart of our nation’s multicultural character.

As Australians, we are fortunate to live in a land that is home to a diverse range of people, where we are free to share and learn from the customs of other cultures.

We are a country built on the riches of many traditions, and every community group is an indelible part of who we are.

To everyone who has gathered to enjoy the music and culture of this year’s festival, I hope you have a wonderful day with family and friends.
